

Symposium | Hamburger Architektursommer

COMMON >>RECONSTRUCTING

Networks, Neighbours, Negotiations

June 23rd, 1 - 7 p.m.

Admissions and Lunch from 12 p.m.

Gleishalle Oberhafen

Steckmeyerstraße 43, 20457 Hamburg

Key Lectures:

Prof. Dr. Olena Olynyk, vice president, national board of architects of Ukraine

Prof. Dr. Philipp Meuser, architect, publisher, university professor, and

Dr. Natalia Mysak, ETH Zürich

The symposium offers an exchange platform on the topic of networks, neighbourhoods and negotiations for reconstruction. A central role in reconstruction is played by people, initiatives and organisations, some of which are involved in reconstruction on a daily basis. We want to talk about the framework and fields of action of participation and engagement, talk about sustainable and resource-saving approaches, build networks and enable synergies.
